

Financial Assistance for Property Protection Measures

Pre-flood Assistance

- Projects fully or partially funded by a local agency. For example, some metropolitan sewer agencies fund part or all of a project to stop sewer backup and some communities have their own rebate, financial assistance, or construction programs;
- FEMA mitigation grants;
- State or local programs, such as grants, loans, and rebates;
- Housing improvement assistance programs;
- The U.S. Department of Agriculture's rural development grants and loans for mitigation;
- The potential to reduce flood insurance premiums for certain mitigation projects (e.g., elevating the building above the base flood elevation); and
- Exempting the improvements from property tax increases.

Post-flood Assistance

- Flood insurance;
- Flood insurance's Increased Cost of Compliance benefit for substantially damaged structures;
- FEMA's Hazard Mitigation Grant Program; and
- The U.S. Small Business Administration's post-flood mitigation loans.

See www.CRSresources.org/300 for more information on these financial assistance programs.
